Here's your answer to how we swim for Jesus!

Thursday, January 20th, 2005

- We pray before each competition, social, and/or team event giving honor to God and asking for His guidance.
- We have weekly Bible Study and monthly Bible Service
- We speak Jesus is LOVE to our swimmers, their families and others we come into contact with.
- We pray for everyone, the good, the bad and especially the indifferent!
- We tell everyone that Jesus LOVES you!
- We give ALL of our swimmers the same opportunities regardless of their swimming performance, talents and/or ability.
- All of our swimmers receive financial help provided by community donations.
- We try to treat others the way we want to be treated regardless of how they treat us.
- We try to live the Word of God each day of our lives.
- We offer Bible training scholarships to our swimmers.
- We celebrate each swimmers birthday.
- We spend "family time" with our swim team family.
- We take our swimmers to Christian skate night once a month and other Christian activities.
- On our Team we believe Jesus is first, the swimmers are 2nd and the team is 3rd.
